

REMARKS

In the Office Action of January 25, 2005, the office objected to claims 1, 3, and 5. The Office noted that the application is in condition for allowance except for the objections. The specific objection was that claim 1 was objected to as being informal because of not being presented as a single sentence. Claims 3 and 5 were objected to as being dependent upon claim 1. Applicant has amended claim 1 to overcome the Examiner's objection.

In view of the foregoing amendments and remarks, Applicant respectfully requests reconsideration and reexamination of this application and the timely allowance of the pending claims.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
